

COVID-19 – Update for Passengers – September 2020

At Brides, Events & Airport Cars, the safety of both our driver and passengers is paramount. We would like to make all our passengers aware of the measures we have been put in place:-

- If you are showing any signs of COVID-19 please cancel your booking. Under no circumstances should you be travelling no matter how mild your symptoms are.
- Please wash your hands before leaving home/airport.
- Hand sanitiser will be available for your use throughout your journey as required.
- Please bring a disposable bag with you to dispose of any rubbish, we kindly ask you to take this with you to dispose of at the end of your journey, if you don't have a bag and require one please ask the driver.
- Please wait for the driver to open the doors/boot. Where possible please can you load/unload your own luggage into the vehicle, the driver will help you if needed.
- Meeting points may change, please do check your mobiles as the driver will text you.
- Please sit in the rear of the vehicle where possible and on the opposite side of the driver to allow for maximum distance between you and the driver.
- Please bring your own face mask/face covering as this is mandatory. If you don't have one or you forget it, the driver will supply a mask for all passengers that need one.
- Please avoid touching surfaces within the vehicle as much as possible.
- You are kindly asked to refrain from drinking or eating due to the risks of spreading COVID-19.
- The vehicle will be sanitised and cleaned between every booking, the driver will confirm this prior to you occupying the vehicle.
- The cars will be well-ventilated between uses, air conditioning will be switched off during your journey.
- All non-account payments do need to be made in advance by card prior to the journey. The drivers cannot process your cards in the car.

We hope that you all continue to stay safe and well.
